# Interactive Map

Annotations

OVERVIEW

This document will take you through the process of creating annotations on the interactive map.
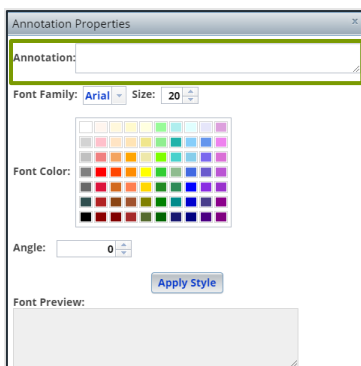

ANNOTATIONS

Create New Annotation

1. From the interactive map, click Annotations.

2. Click on the map where you would like the annotation to be placed.

3. In the Annotation box, enter the text you'd like added to the map.

Go to the Knowledge Center to view additional walkthroughs.

identify
deliver
optimize

4. (Optional) Adjust the annotation text's font, size, color and angle.

5. Click Apply Style.

Edit Existing Annotation

Any of the following edits can be made to existing annotations:

- Double-click to edit or delete the annotation text.

- Click and drag to move the placement of the annotation on the map.

- Single-click to do any of the following:
  - Adjust the size and angle of the annotation

  - Change the alignment
  - Add a halo around the text
  - Adjust the text color
